FREEDOM HEADREST

The Gold Standard in Office Seating

**ERGONOMIC SUPPORT THROUGH
INTUITIVE COUNTER-BALANCE
MECHANISM**

**SYNCHRONOUS ARMRESTS AND
DYNAMIC HEADREST FOR
CONTINUOUS COMFORT**

**CUSTOM FIT ADAPTABILITY FOR ALL
BODY TYPES**

A true design icon, the Freedom chair proves that ergonomics can be beautiful. Created by Niels Different, Freedom automatically adjusts to every user. Designed to eliminate the need for manual controls, it features a sophisticated weight sensitive, self-locking recline mechanism. Its unique form has a timeless aesthetic that complements any workspace.

SADDLE/PONY

Ultimate Versatility. Ultimate Comfort

MODULAR CUSHION FOR EASY REPLACEMENT

OPTIONAL FOOT RING AND HIGH CYLINDERS FOR SPECIFIC APPLICATIONS

TRIANGULAR CUSHION ALLOWS MULTIPLE SITTING POSITIONS

Saddle and Pony task stools are the most comfortable, versatile and ergonomic stools ever made. The original Saddle and the compact Pony Saddle make sitting comfortable and workplace movement simple while complementing any workspace or home office. Sitting on stools in this position lowers the thighs, opens up the hips and allows for increased circulation. The posture also reduces pressure points on the tailbone, enabling long-term comfort.

DIFFRIENT SMART

Tri-panel backrest fits like a perfectly tailored shirt to provide exceptional lumbar support.

DISTINCTIVE LINEAR DESIGN THAT COMPLEMENT ANY ENVIRONMENT

UNIQUE ARM DESIGN ATTACHES TO THE BACK FRAME TO PROVIDE SUPPORT DURING FULL RANGE OF RECLINE

A VARIETY OF HIGH-PERFORMANCE TEXTILES AND PROPRIETARY MESHES COMPLEMENT THE CHAIR'S FORM

The Diffrient Smart chair is an intelligent mesh task chair with a striking linear aesthetic that complements any environment. Engineered to provide automatic lumbar support for every user, as well as simplicity and ease of use, Diffrient Smart offers comfort, style and flexibility. Diffrient Smart, like Humanscale's Liberty and Diffrient World chairs, uses Humanscale's revolutionary Form-Sensing Mesh Technology and mechanism-free recline for perfect support for every user.

FLOAT TABLE

The key to remaining healthy while at work is to alternate between standing and sitting positions. Float makes standing almost effortless and instant. By eliminating awkward cranks and noisy, slow motors, Float removes obstacles that typically discourage the use of height-adjustable desks. Operating Float is as easy as standing up.
