ABOUT US

Timeless Designs. Tailored Living.

At Agata, we craft modern luxury furniture that transforms spaces into experiences. Our collection is a tribute to refined living — combining clean lines, plush comfort, and premium craftsmanship.

Designed for discerning homeowners, interior designers, and showroom curators, each piece is created to inspire elegance and elevate everyday interiors. We operate across India with a commitment to fast production, seamless service, and customizable design solutions.

Discover the art of fine living with Agata — where comfort meets class, and every detail matters.

Golden Ring

A bold blend of elegance and modern design, the Ring Sofa features a soft, curved form in premium textured beige upholstery. Its cylindrical base and sculpted armrests are accented with rich brushed brass-toned detailing.

Finished with dual-tone cushions in neutral and chocolate hues, it's a perfect fit for luxury living rooms, lounges, or showrooms.

Brushed brass-
finished accents

Includes plush
dual-tone cushions

Curved silhouette
with bold base

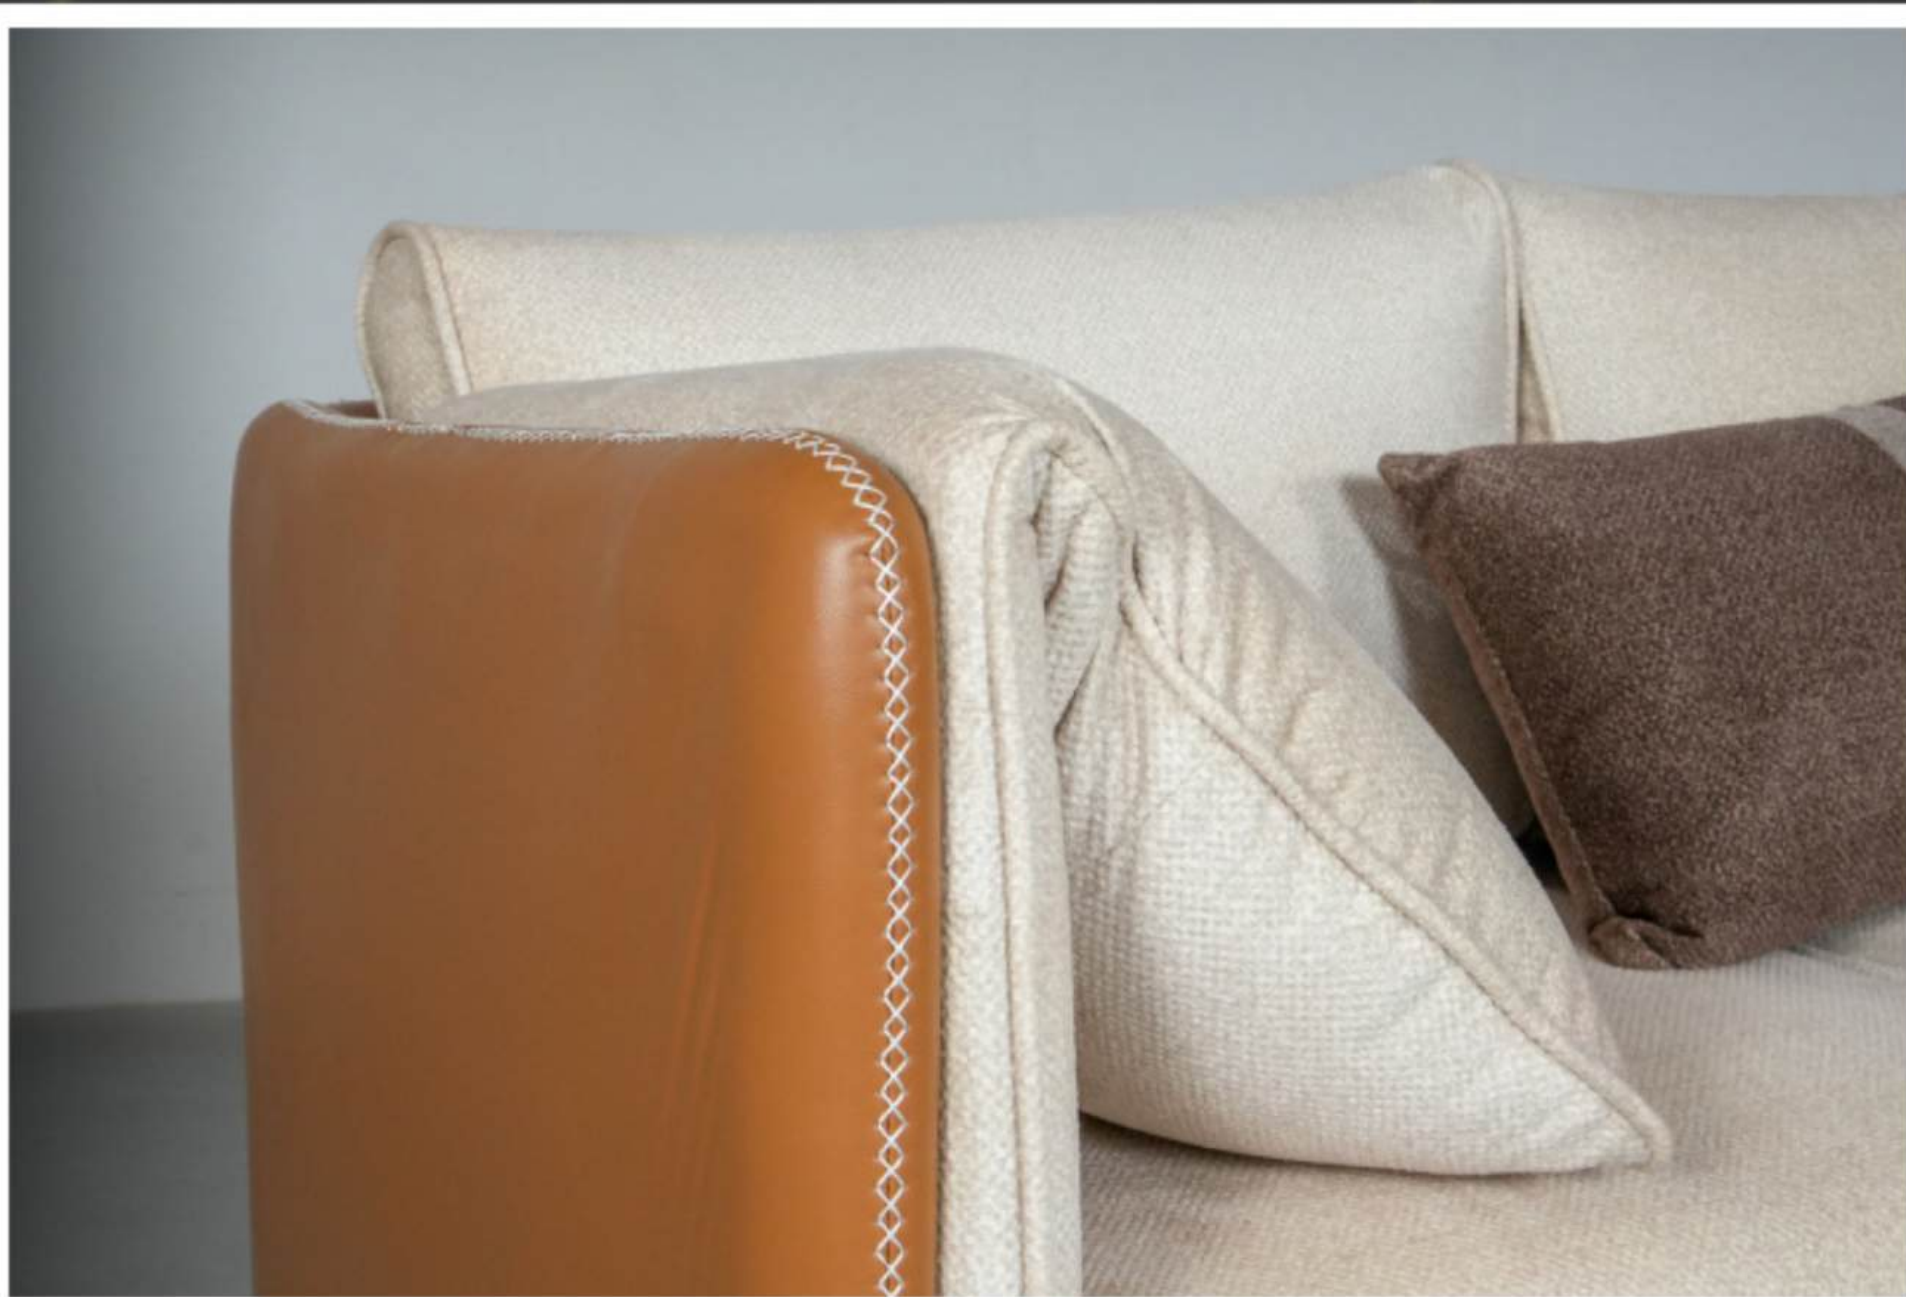

Key Features

Dual-finish design: fabric with leatherette trim

Contrast stitching and tailored detailing

Slim gold-finished legs for a luxe touch

Delta

The Delta Sofa embodies refined elegance with a clean, structured profile and thoughtful material contrast. Upholstered in soft beige fabric, it's framed with caramel leatherette and detailed contrast stitching for a tailored, contemporary finish. Slim, gold-toned tapered legs add a subtle touch of glamour without overpowering the minimalist form.

A rich chocolate accent cushion completes the look, offering depth and a warm, inviting feel. Ideal for sophisticated urban interiors.

Kuka

The Kuka Sofa defines compact luxury with its bold, sculpted silhouette and warm brown leatherette finish. Designed for both comfort and style, it features generously padded back pillows and cushioned side bolsters that create a plush, enveloping seat. The structured yet inviting form makes it ideal for smaller spaces without compromising on elegance.

Perfect for modern apartments, cozy lounge corners, or upscale hospitality settings seeking a compact yet statement-making piece.

Dual-finish design: fabric with leatherette trim

Contrast stitching and tailored detailing

Slim gold-finished legs for a luxe touch

A-logo Sofa

The A-logo Sofa blends luxury with legacy, featuring a gold "A" emblem, curved back, and mocha upholstery. Faux leather arms and rich accent cushions complete this bold, statement piece.

Faux leather arm detailing with contrast stitching

Signature Agata "A" gold emblem on the back

Designer accent cushions in metallic, textured, and embossed finishes

Joy Sofa

A perfect mix of comfort and style, the Joy Sofa features tufted olive green upholstery, low-slung arms, and plush cushioning. The bold mustard accent pillow adds a playful contrast, while wooden trim and black metal legs lend a refined finish — ideal for modern, relaxed spaces.

08

Ika—The Everyday Icon

Simple. Smart. Striking. The Ika sofa brings a timeless silhouette to life with refined stitching, structured padding, and a warm caramel leatherette finish. Its low-profile arms and subtly flared backrest are designed for relaxed comfort without excess, making it ideal for contemporary living rooms and studio apartments.

With elegant cross-stitch detailing and sleek black legs, Ika is a fusion of function and fashion—crafted to complement everyday luxury.

Caramel leatherette with contrast stitching

Medium-firm cushions with lumbar support

Sleek black base for a modern touch

Berlin Sofa

Crafted with metropolitan flair, the Berlin Sofa features warm tan leatherette, crisscross stitch detailing, and plush arm and headrests for structured comfort. Resting on sleek slanted metal legs, it offers a refined, lightweight look that suits both modern homes and upscale lounges.

Tan leatherette with refined stitch accents

Oversized headrests and cushioned arms for support

Slanted metal legs for modern elevation

Picasso Sofa

Bold and sculptural, the Picasso Sofa is wrapped in sleek silver-grey leatherette with curved arms, matte-black detailing, and angled legs for a striking architectural look. Thoughtful stitching and a textured black faux-fur cushion complete its artistic silhouette — ideal for modern, design-led interiors.

Sculpted form in silver-grey leatherette

Curved arms with matte-black inset detailing

Includes high-texture black accent cushion

Globe Corner

With its globe-inspired curves and cream upholstery, the Globe Corner blends modern elegance with everyday comfort. The built-in wooden end table adds function to form, while the plush seating and smooth lines create a refined, gallery-like feel.

Pair it with matching ottomans and barrel chairs for a complete, cohesive space.

Key Features

Curved, sculptural silhouette in soft cream fabric

Built-in wooden end module for practical luxury

Detachable backrest cushions with layered detailing

Boat Corner

Sculptural in form and purposeful in design, the Boat Corner sofa is crafted to define open spaces with elegance. Its sweeping, boat-like curves create a sense of flow and continuity, while the built-in divider functions as both a subtle partition and a versatile surface—perfect for styling, storage, or separation. Upholstered in premium leatherette with refined stitch detailing, this modular piece balances visual impact with everyday usability.

Key Features

- Iconic curved silhouette inspired by boat contours*
- Integrated center divider for added function*
- Premium leatherette finish with precision stitch accents*

Italian Sectional

Inspired by timeless Italian design, this grand sectional sofa is a masterclass in sculpted elegance and immersive comfort. Draped in mocha-toned leatherette with bold hand-stitched detailing, it's built to anchor expansive interiors with style and ease. Deep channel-back cushions, plush arm pillows, and a low-profile base create a relaxed yet luxurious seating experience.

Finished with tapered wooden legs and caramel accent pillows, this piece brings refined European sensibility to villas, penthouses, and upscale lounges.

Leva

Leva blends minimal design with a playful twist. Wrapped in smooth graphite-grey leatherette, its curved form, stitched channels, and soft contours create a calm, modern vibe. A unique looped armrest adds a handcrafted touch, while bright lime cushions inject just the right amount of bold energy.

Compact yet expressive, it's perfect for modern homes that love clean lines with personality.

Sculpted graphite-grey form with vertical stitch texture

Loop arm detail for a crafted, signature look

Bold lime accent cushions for a fresh pop

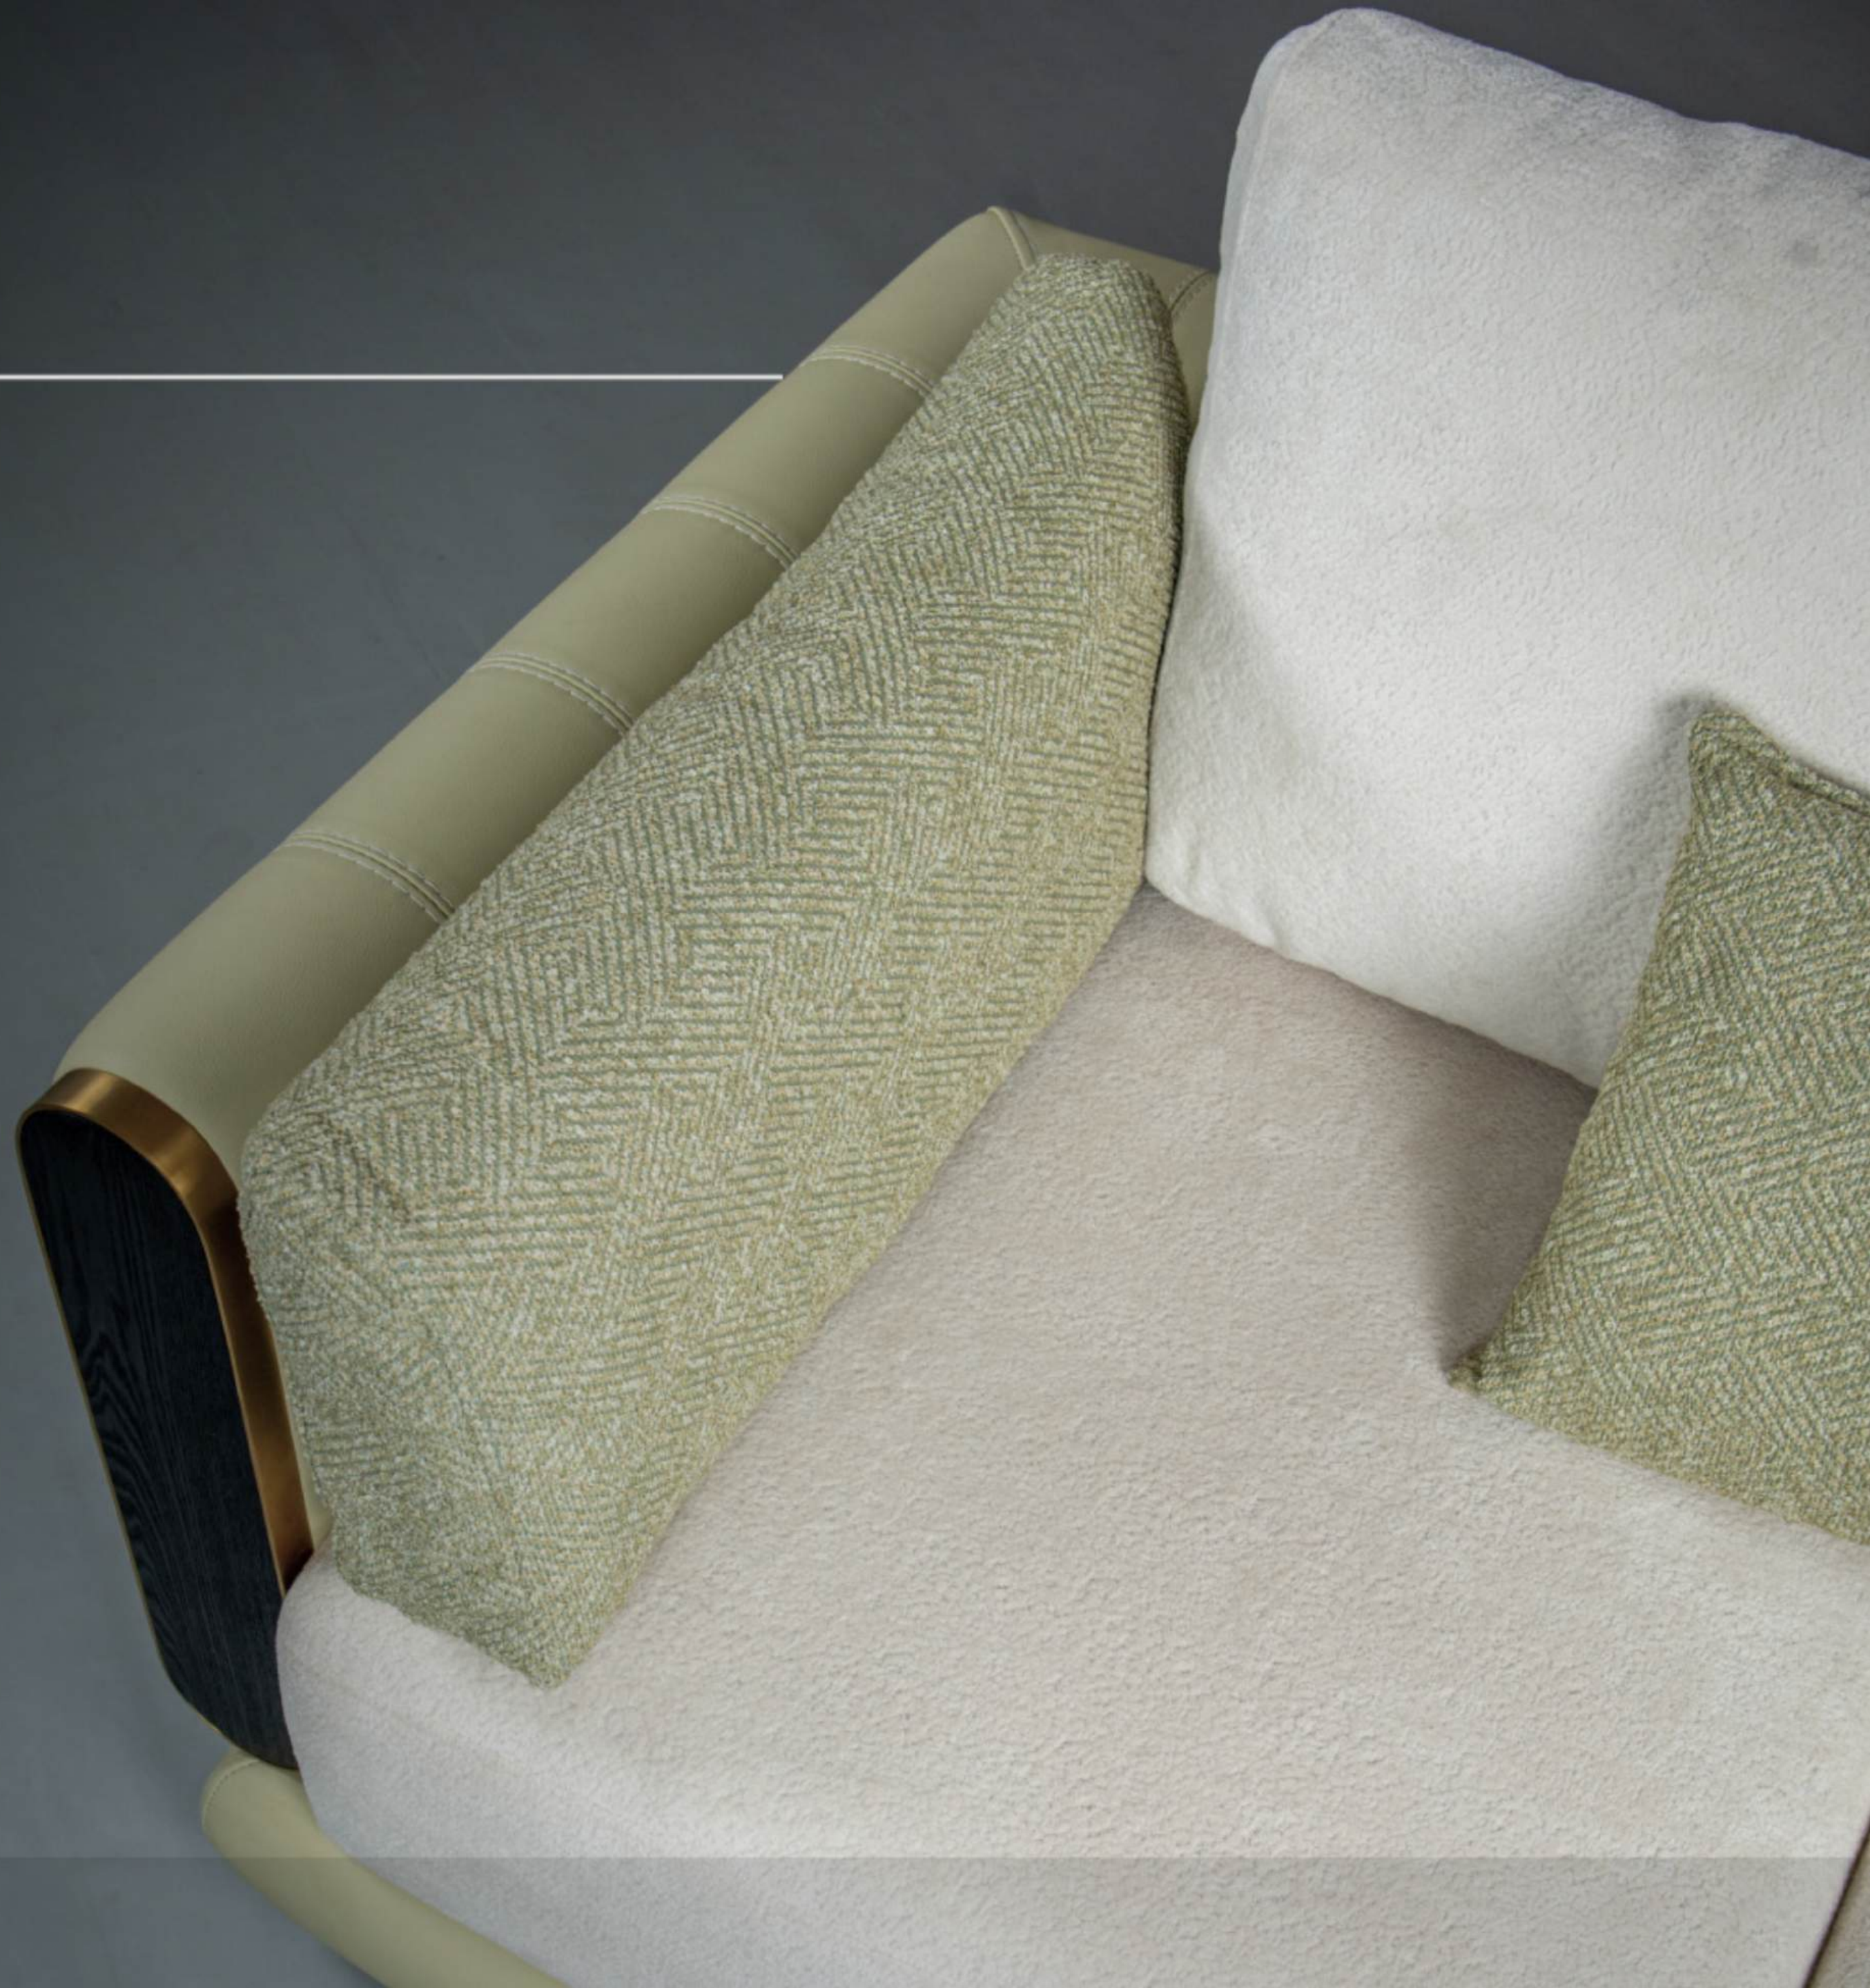

Ambrosia

The Ambrosia sofa blends modern minimalism with rich detailing. Upholstered in premium ivory fabric with caramel-brown leatherette accents, it's elevated by a gold-finish frame and decorative rope detailing for a bespoke touch. Plush patterned cushions add comfort and depth, making it a refined centrepiece for luxury living rooms and upscale lounges.

GALAXY COLLECTION

ÁGATA LIVING
by Virendra & Co.

18

Galaxy 1

Bold and sculptural, the Galaxy - 1 redefines modular seating with its curved L-shape and ultra-modern silhouette. Wrapped in soft ivory boucle-style fabric with caramel leather accents, its belt-style buckle detailing sets it apart as a true design statement.

Plush cushions in caramel and striped patterns add comfort and richness — ideal for spacious, high-end interiors.

Galaxy 2

The Galaxy - 2 brings cozy elegance to modern living with its rounded form, ivory textured upholstery, and plush, enveloping cushions. Caramel faux leather sides and gold-capped legs add contrast and glamour, while designer throw pillows in dark tones complete the look with bold texture.

Ideal for compact luxury spaces or open-plan interiors.

20

Galaxy 3

Blending clean lines with luxe materials, the Galaxy - 3 is upholstered in plush ivory fabric and accented with olive herringbone cushions. Ash wood side panels with open grain polish and a faux leather base add texture and contrast, while golden legs complete its refined silhouette — ideal for compact, design-forward interiors.

with olive accent
cushions

Faux leather base
and gold-finished
legs

Galaxy 4

A bold fusion of comfort and form, the Galaxy 4 features pearl-toned leatherette with signature tufting and high-density foam for deep, supportive seating. Framed in matte black with broad arms and a compact 2-seater design, it delivers sleek luxury for both home and commercial interiors

Pearl leatherette with refined tufting

High-density foam cushions for lasting comfort

Matte black base for bold visual contrast

Galaxy 5

Make a statement with the Galaxy 5 in rich mustard leatherette, featuring extra-wide arms, ergonomic tufted seating, and printed cushions for a modern contrast. Its sculptural curves and deep comfort strike the perfect balance between bold character and refined elegance — ideal for stylish homes and design-forward spaces.

Signature wide-arm silhouette in mustard leatherette

Tufted seating with printed accent cushions

Perfect for homes, hospitality, and modern showrooms

Galaxy 6

Wrapped in rich chestnut brown leatherette with decorative white stitching, the Galaxy 6 blends classic warmth with a clean, modern silhouette. Rounded arms, plush back cushions, and soft beige pillows create a refined seating experience — ideal for compact luxury interiors and boutique settings.

Chestnut leatherette with contrast stitching

Rounded armrests and plush cushioning

Includes beige textured accent cushions

Galaxy 7

The Galaxy 7 combines modern artistry with plush comfort. Wrapped in ultra-soft ivory fabric, its flowing silhouette is supported by sculpted bronze-finished legs. Houndstooth cushions add bold contrast, making this piece a refined highlight in minimalist or luxe-modern interiors

Sculpted form in plush ivory fabric

Bronze-toned legs for modern definition

Bold houndstooth cushions for contrast

25

Galaxy 8

With its flowing curves and smooth ivory leatherette, Galaxy 8 brings graceful movement into any space. Flared armrests and deep olive velvet cushions add richness and depth, with a statement pillow.

*Ivory leatherette
with soft curved
silhouette*

*Olive green velvet
cushions + harness-
accent pillow*

Galaxy 9

Galaxy 9 pairs plush cream leatherette with warm tan edge accents for a refined dual-tone look. With segmented backrests, curved arm panels, and slim black legs, it offers both comfort and elevated style — ideal for urban homes, designer studios, or elegant lounges.

Dual-tone leatherette with cream and tan finish

Cushioned backrests and rounded arms

Black metal legs for a sleek modern base

Galaxy 10

Draped in rich olive green leatherette, Galaxy 10 pairs deep channel tufting with oversized cushioning for an effortlessly plush feel. Its sleek, seamless silhouette brings grounded elegance to contemporary homes, creative studios, and luxe lounge spaces.

Olive green leatherette with deep tuft detailing

Plush back and arm cushions for comfort and shape

Streamlined silhouette with minimal seam design

28

Galaxy 11

With a brushed gold frame, herringbone-textured fabric, and tan vegan leather bolsters, Galaxy 11 balances minimalism with material richness. A deep cocoa accent cushion adds warmth and artisanal detail—perfect for curated modern interiors.

29

ÁGATA LIVING
by Arendra & Co.

Galaxy 12

Inspired by Milan's timeless aesthetic, Galaxy 12 blends soft woven upholstery with bold piping and a rich ash wood base. Lilac geometric and mocha velvet cushions add a touch of designer contrast, making this piece a modern classic for elevated interiors.

Ash wood base with rich natural polish

Textured fabric with contrast piping

Layered cushions in velvet and geometric prints

30

Galaxy 13

Sink into the plush comfort of Galaxy 13—where Italian-inspired softness meets modern form. Oversized tweed cushions rest on a bold midnight-blue leatherette base, accented with a matching lumbar cushion. Relaxed tufting, a sink-in backrest, and matte wooden block legs complete its understated luxury.

Plush pillow-style cushions with tufted backrest

Contrast tweed upholstery with deep blue leatherette base

Galaxy 14

The Galaxy 14 makes a bold, refreshing statement with its avocado green leatherette and gracefully curved silhouette. A modern nod to organic design, it invites you to sink into ultra-soft, deep-padded arms and a luxuriously ruched backrest. Blending form and comfort, its vibrant hue enlivens minimalist spaces, while supportive cushioning ensures it's not just a showpiece but a staple in any modern home.

Premium green leatherette with ruched backrest

Generously padded arms and seat for lasting comfort

Sleek metal legs for modern contrast

Galaxy 15

With its bold silhouette, Galaxy 15 blends art with function. Wrapped in buttercream leatherette, its contoured arms and backrest bring sculptural elegance, while the plush seat promises lasting comfort. Inspired by contemporary European design, it's finished with geometric black-and-white cushions for a striking contrast.

Elegant buttercream leatherette with artistic curves and symmetry

Durable wood frame with black legs; compact yet impactful for modern spaces

Ash wood open grain polish

Galaxy 16

With its warm caramel leatherette and generously cushioned profile, this sofa blends casual comfort with understated elegance. Pillow-top arms, a plush triple-layer backrest, and deep seating invite hours of relaxation, while the sturdy wooden block legs provide a grounded, contemporary finish. Perfect for creating a cozy yet refined atmosphere in living rooms or lounges.

Premium caramel leatherette with plush triple-layer backrest

Pillow-top arms and deep seating for superior comfort

Sturdy wooden block legs for a grounded, modern look

34

Galaxy 17

Galaxy 17 is a bold fusion of curvaceous modern design and artistic flair. Wrapped in plush ivory-beige velvet with contrast brown piping, it features distinctive looped arms and signature portrait cushions. Compact yet impactful, it's the perfect statement piece for luxury lounges or accent spaces.

Galaxy 18

The Galaxy 18 blends timeless sophistication with contemporary flair. Upholstered in a cloud grey leatherette, this compact 2-seater strikes a balance between softness and structure; perfect for modern interiors that crave subtle luxury.

Featuring hand-finished wooden legs and side accents, this piece is accented with two artist-designed portrait cushions to add a touch of personality and creative spirit.

Smooth grey leatherette with gentle tufted backrest

Wooden side paneling in warm wood tone

Designer portrait cushions for artistic contrast

Key Features

Deep brown leatherette with tufted seat detailing

Chrome legs & contrasting yellow designer cushion

Adjustable backrests and armrests

Galaxy 19

Elevate your living space with Galaxy 19, a bold statement of modern utility and comfort. Crafted in rich chocolate brown leatherette, this sofa features adjustable backrests and armrests that move to fit your mood; from lounging to entertaining to afternoon naps.

Its sleek silhouette is enhanced by chrome-finished legs and a geometric yellow cushion that adds a striking pop of color.

Galaxy 20

A striking statement in dual tones, Galaxy 20 features plush ivory boucle fabric paired with rich tan leatherette curves, forming a soft yet structured silhouette that invites both comfort and style. This piece elevates contemporary interiors while maintaining timeless appeal.

The set includes a revolving single-seater, adding interactive functionality without compromising elegance; ideal for modern living rooms, luxury lobbies, or boutique studios.

Ivory boucle & tan leatherette; curved armrests

Revolving single-seater with structured softness

Sturdy polished metal legs

Galaxy 21

Galaxy 21 redefines sectional seating with its bold structure, chocolate-brown leatherette finish, and integrated wooden platform; blending functionality with visual richness. Ideal for large living spaces or statement lounges, this L-shaped modular sofa features generously padded seats, deep tufting, and custom contrast cushions for an upscale, luxurious layout.

Key Features

Deep brown leatherette with built-in textured wood side platform

L-shaped modular design with high-density foam padding

Custom throw cushions and chrome accents for a modern finish

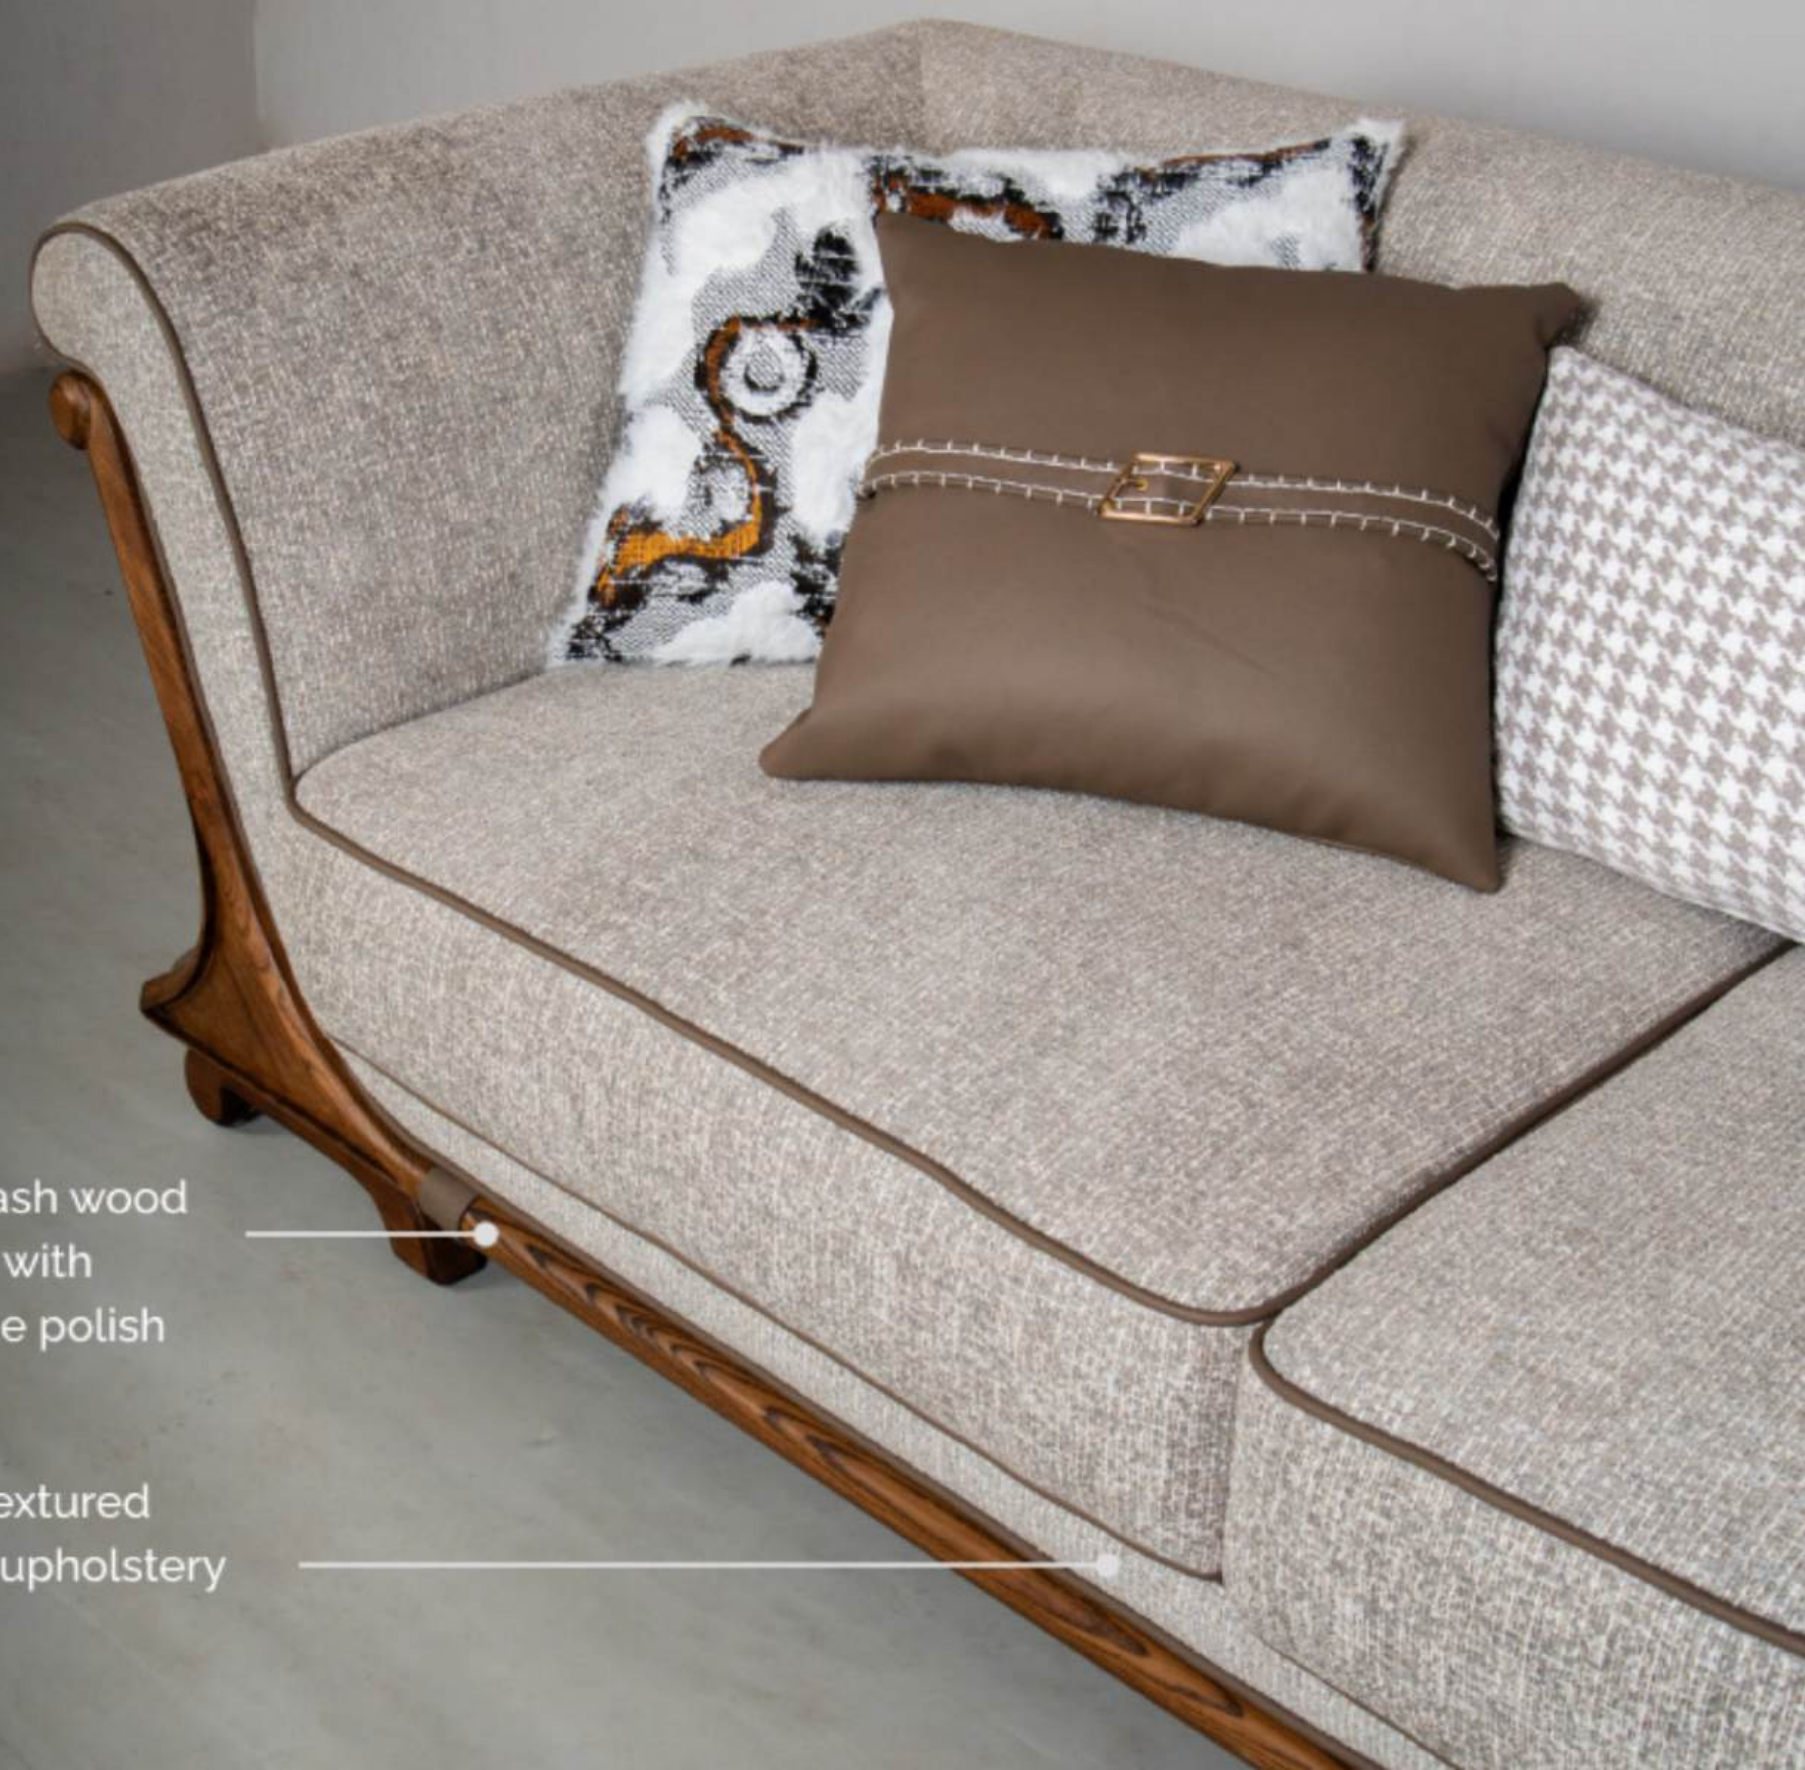

39

Galaxy 22

Galaxy 22 blends classical European charm with a modern Indian touch. Featuring graceful scroll arms, a carved ash wood base, and soft beige upholstery, it's perfect for formal living rooms or boutique interiors. Custom embroidered and patterned cushions add depth and sophistication without compromising comfort.

Solid ash wood
frame with
antique polish

Soft-textured
beige upholstery

Galaxy 23

Elevate lounge spaces with the Aura Curve, a sculptural modular sectional that blends contemporary lines with plush, lounge-depth comfort. Its sweeping, asymmetrical curves create a fluid conversation zone around a central coffee table, ideal for modern living rooms, hotel lobbies, and executive suites.

Two-piece curved sectional in matte gray leatherette with contrast saddle stitching

Modular design with tufted backrests, and brushed metal feet

LAZY BOY COLLECTION

ÁGATA LIVING
by Virendra & Co.

Lazy Boy 1

Lazy Boy 1 is designed for ultimate relaxation, with plush pillow-like cushions and a premium tan leatherette finish. Its rounded matte metal frame adds an industrial edge, while the compact two-seater design makes it perfect for urban apartments or as an accent piece in larger spaces.

Plush cushions in premium tan leatherette; contrast stitching

Sleek matte metal frame with rounded edges for style & safety

Space-efficient two-seater with a low-maintenance finish

Lazy Boy 2

The Galaxy 14 makes a bold, refreshing statement with its avocado green leatherette and gracefully curved silhouette. A modern nod to organic design, it invites you to sink into ultra-soft, deep-padded arms and a luxuriously ruched backrest. Blending form and comfort, its vibrant hue enlivens minimalist spaces, while supportive cushioning ensures it's not just a showpiece but a staple in any modern home.

Premium green leatherette with ruched backrest

Generously padded arms and seat for lasting comfort

Sleek metal legs for modern contrast

Lazy Boy 3

Lazy Boy 3 combines modern style with soothing comfort, featuring a two-tone palette of sage green fabric & off-white leatherette. Generously padded cushions, a tufted backrest, and wide plush armrests create a cloud-like feel, while a striped accent pillow.

Two-tone sage green fabric & off-white leatherette

Wide, plush-padded armrests for ultimate comfort

Includes matching accent pillow with a sturdy, durable frame
